

Enterprise Resource Planning

We have implemented a proven robust shop management platform for our business processes in ECI-Jobboss.

Engineering

Powerful 3D CAD tools to assist with design for manufacturing. Our engineers are Certified Professionals in Solidworks.

Production Services

Flat Laser Cutting
Tube Laser Cutting
Laser / Punch Combo
CNC Mills / Lathes
Deburr/Edge Rounding
Forming
Hardware Insertion
Spot Welding
Mig/Tig Welding
Robotic Welding
Final Assembly

Industries Served

Material Handling
Display & Fixture
Construction Equipment
Medical Equipment
Office Furniture
Railroad
Automotive
Government

Outside Services

Powder Coating
E-Coating
& Others

Equipment

Automated CNC Fiber Laser/Punch Combo w/Part Sorting

Automated CNC Laser "Fiber" Cutting

Brake Forming

CNC Tube Laser "Fiber" Cutting

CNC Mills / Lathes

Mig / Tig Welding

Robotic Welding

Spot Welding

Hardware Insertion

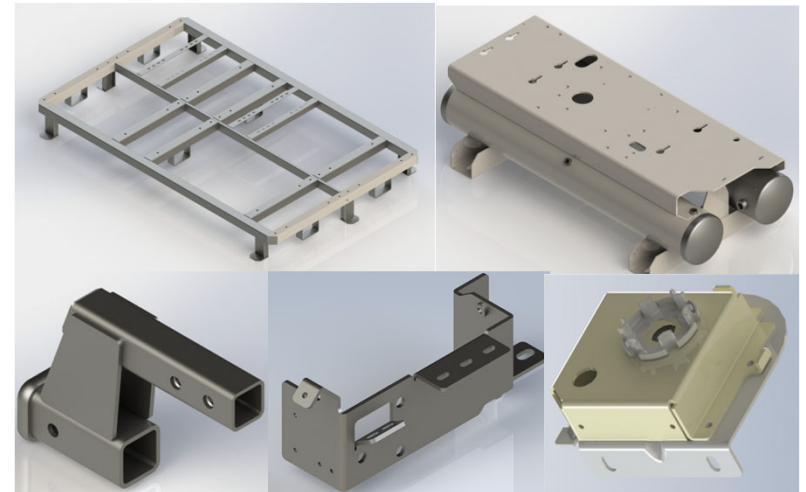

4881 Allen Park Drive

Allendale, MI 49401
